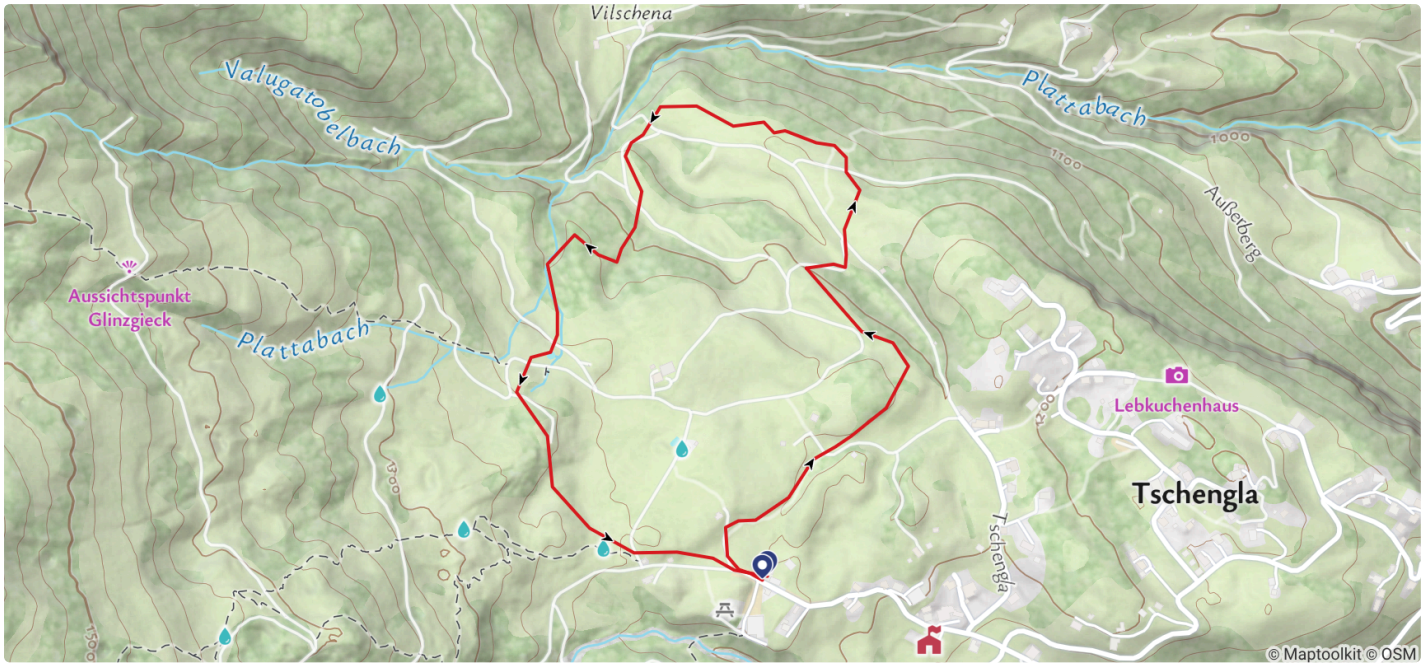
Snowshoe tour "Tschengla" | Bürserberg

MODERATE | FOREST ROADS | ROUND TRIP



Tour description

Beautiful and easy snowshoe tour on the high plateau Tschengla.

The start of the snowshoe tour is directly at the parking lot (P3) on the Tschengla high plateau. Here the tour branches off to the right immediately at the overview sign. Initially still along the winter hiking trail and then further through flat terrain down to the stone circles. After the stone circles the tour goes off to the left, for a short time parallel to the winter hiking trail and then up to the right through the larch forest. Then you cross the cross-country ski trail and the winter hiking trail and follow the signs in the direction of Husky Tony and back to the hiking parking lot. The snowshoe route is marked with pink marker poles.
