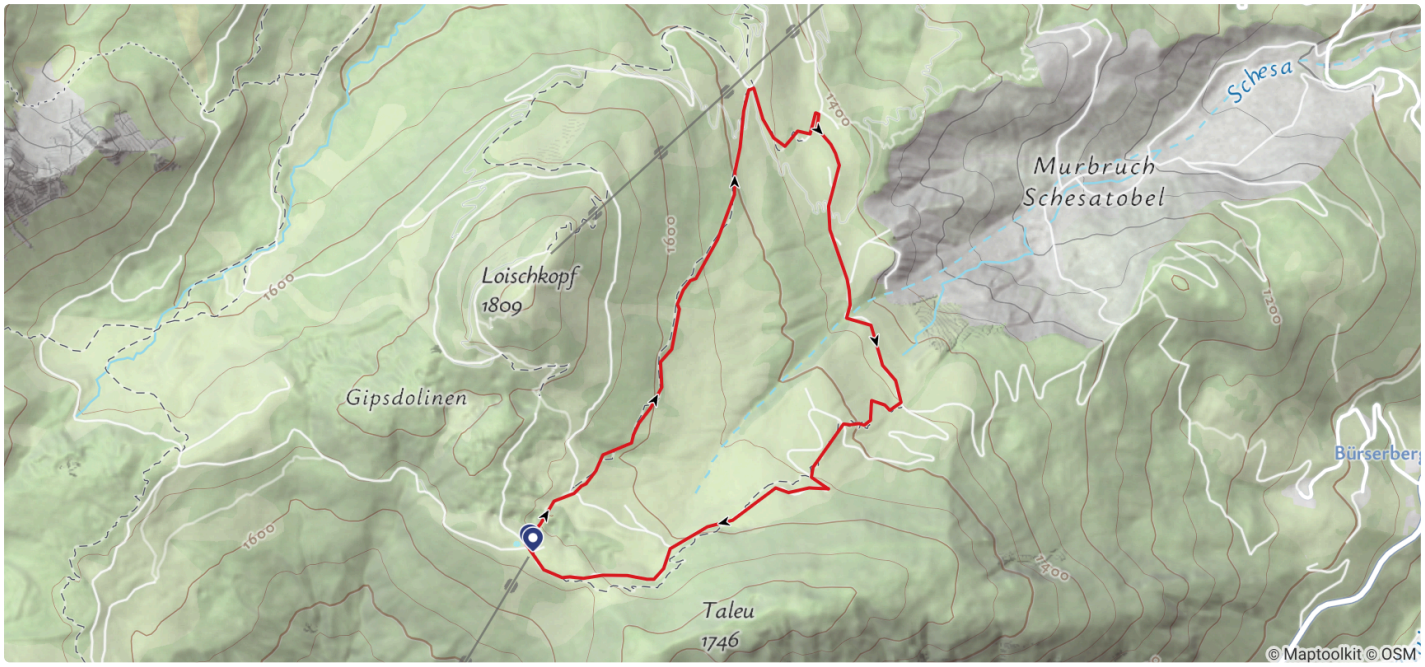
Burtschasattel circuit hike | Bürserberg

MODERATE | REFRESHMENTS | PANORAMIC | CABLE CAR ASCENT/DESCENT | ROUND TRIP



Tour description

Leisurely round tour from the Burtschasattel down towards Tschengla and back via the Burtscha Alpe.

This comfortable round tour starts at the **Burtschasattel**. The starting point can be reached comfortably from Brand with the **village and panorama cable car**. From the mountain station at the **restaurant Frööd**, you then walk through a short section of forest down to the **Klampera Alpe** or Klampera Stall. From there follow the signs downhill towards the **Loischkopfbahn middle station**. The path runs over some wooden footbridges and is very popular with children.

At the Loischkopfbahn middle station, turn right along the trail to the BERGRESTAURANT FUCHSBAU - a stop is worthwhile. The trail continues from the BERGRESTAURANT FUCHSBAU quite easily to the Burtscha Alpe. At the Burtscha Alpe the path leads past and back uphill (hiking trail or along the forest path) to the Burtschasattel, back to the starting point.

Alternatively, the way back from BERGRESTAURANT FUCHSBAU can also be mastered with the Loischkopf cable car. From the mountain station of the Loischkopfbahn it is a 15-minute walk back to the Burtschasattel.
